Form of Government

Glendale follows a Council-Manager form of government. Legislative policy is set by the elected City Council and administered by the Council-appointed City Manager.

The City Council consists of a Mayor and six Councilmembers. The Mayor is elected every four years by voters city-wide. Councilmembers hold four-year terms with three seats decided every two years. Each of the six Councilmembers represent one of the six electoral districts and are elected by the voters of their respective districts (see map on back).

Workshop Schedule

Council workshops are held on the first and third Tuesday of each month at 1:30 p.m. in the Council Chambers of the Glendale Municipal Office Complex, 5850 W. Glendale Avenue, Room B-3, lower level. The exact dates of workshops are scheduled by the City Council at formal Council meetings. The workshop agenda is posted at least 24 hours in advance.

Agendas may be obtained after 4:00 p.m. on the Friday before a Council meeting, at the City Clerk's Office in the Municipal Complex. The agenda and supporting documents are posted to the city's Internet web site, www.glendaleaz.com.

Executive Session Schedule

Council may convene in "Executive Session" to receive legal advice and discuss land acquisitions, personnel issues, and appointments to boards and commissions. As provided by state statute, this session is closed to the public.

The material to be reviewed at the budget workshops is contained in the budget workbook that was posted with today's meeting agenda.

The City Council budget workbook was prepared to facilitate Council's review of the operating budgets for city departments. A detailed explanation of the budget workbook that is labeled "Budget Workbook Material – Explanation" is included in the workbook.

Please note that the budget workbook materials include a draft FY 2013 budget for each department. Any revisions to departmental operating budgets agreed upon by Council during its review will be incorporated. After that review is completed, we will return with a revised FY 2013 budget and a proposed balancing plan for the GF.

Previous Council/Staff Actions

The 4th budget workshop occurred on March 6, 2012.

The 3rd budget workshop occurred on February 28, 2012.

The 2nd budget workshop occurred on February 21, 2012.

The 1st budget workshop occurred on February 14, 2012.

At the January 10, 2012 Council meeting, an ordinance was adopted authorizing the refunding/restructuring of outstanding water/sewer revenue obligations and Municipal Property Corporation (MPC) excise tax revenue bonds and authorizing the issuance of these bonds in an amount not to exceed \$99 million and \$70 million respectively.

At the January 3, 2012 Council workshop, staff presented the debt management plan and options related to refinancing outstanding MPC debt and refunding outstanding water/sewer debt.

Community Benefit

Glendale's budget is an important financial, planning and public communication tool. It gives residents and businesses a clear and concise view of the city's direction for public services, operations and capital facilities and equipment. It also provides the community with a better understanding of the city's ongoing needs for stable revenue sources to fund public services, ongoing operations and capital facilities and equipment.

The budget provides Council, residents and businesses with a means to evaluate the city's financial stability.

Public Input

The material to be reviewed at the budget workshops is contained in the budget workbook that was posted with today's meeting agenda.

Policy Guidance

Today's workshop is for information only. Decisions on the FY 2012-13 budget will not be requested until a later date.
